

- PROFILE** I am a hard working professional Jazz musician and composer. As a performer, I have studied the four main saxophones (Soprano, Alto, Tenor, Baritone), EWI (Electronic Wind Instrument), Clarinet, and Flute. As a composer, I have written for a variety of ensembles both acoustic and electronic. I have over 12 years of performance experience, 6 years of composition experience and hold two university degrees in Music. I have earned a reputation of working above and beyond the call of duty and consider myself a critical thinker, fast learner, and a solution provider.
- EXPERIENCE**
- PART TIME RETAIL SPECIALIST**
Apple Inc. - Apple Store Victoria Gardens *2006-Present*
 As a part time retail specialist, my duties included informing customers about making educated purchase decisions that both satisfied their needs and their budget. In more recent years I've also participated in the One to One program teaching members how to use their computers and master the Apple software. During this time, I learned a great deal about professional software including Logic Studio and Kontakt. We at Apple pursued to enriching the lives of our customers and I feel that my contributions to that pursuit assisted our store greatly.
- PART TIME WORKMAN'S APPRENTICE**
Anjensen Construction Inc. *2002-2006*
 As a workman's apprentice, my duties included loading, unloading, transporting, and cleaning any and all tools for the workmen. I also assisted the team in mixing cement, bending steel and tying the steel together to make formations.
